Jenna Price is one of the co-founders and El Gibbs is a former administrator of the social media feminist action group, Destroy the Joint which held Alan Jones and 2GB accountable for on air sexism, costing them over $1 million in lost advertising revenue.

Warren Ross uses the website Katoomba Waltz to share our local history, events and issues of concern to Blue Mountains locals.

El Gibbs is an administrator of the Facebook group Blue Mountains Firewatch, a valuable source of information relevant to the Blue Mountains community during and since the October 2013 fires.

JENNA PRICE

Jenna Price is a UTS academic, columnist for the Canberra Times and co-creator of the feminist action group Destroy the Joint.
